Party Details

A Party will generally last 1-2 hours depending on the ages of children. The Children choose an item of pottery from our Party Range which they paint using our underglaze paints. Please do not worry if the children are not particularly artistic, we have stencils & designs that can be traced onto the pottery. The decorated items are then fired in our kiln, ready for collection within a week. We do not supply party food, however, you are welcome to bring your own which can be eaten in the studio. We will supply orange & blackcurrent squash. The cost of a party ranges from £10 - £15 per child and is subject to a minimum of 8 children. There is also a £20 party booking fee. The birthday child will get a Fingerprint or signature plate (see below). Our studio address is The Pottery & Craft Studio Ltd, 16a High Street, Thames Ditton, Surrey, KT7 0RY. There is a large NCP car park very close to the studio which charge 20p per hour.

Party Date:	Party Time:

I would like the party In the Studio / At my House (delete as appropriate) If you	
are having the party in the studio, Are you bringing food?.....	

Signature Plate

The Birthday Child will also get a Fingerprint Plate (The children print their finger on a special plate which is personalised for the birthday child to collect when collecting the party pottery) or a Signature Plate with a design in the centre and text round the edge that will be pre glazed and fired ready for the party where it can be signed by all the guests with a special ceramics pen and taken home by the party child that day. The fingerprint plate is foodsafe, whereas the signature plate is for ornamental use only. (Please see below example of a Fingerprint Plate & designs for a Signature Plate). Please enter your choice number in the box below.
